Comments on Possible Park at 4131 North Stratford Rd (Fall Fling site) This beautiful site is for sale for \$1.3 million, which, if it is raised to create a park, must come mostly from private contributions and grants, not from City money. Raising this kind of money will take an enormous neighborhood commitment.

- I support a **City park** at this site and trying to raise neighborhood money for it.
- I support a **private, neighborhood park** at this site and trying to raise neighborhood money for it.
- I oppose any park at this site and/or trying to raise neighborhood money for it.
- I don't care one way or the other.

I may be willing to donate money amounting to \$_____ **one time** or \$_____ **per year** to help buy the site for use as a park and buy equipment when I know more information about buying this site.
