

Our Kids Need a Great Place to Play in North Buckhead!

A Playground Committee has been set up within the North Buckhead Civic Association. Our aim is to establish a suitable playground or playgrounds within our community.

The committee was formed due to the sad fact that there is not *one* public or private playground in North Buckhead established primarily for our families.

The steps we have undertaken are as follows:

- **Locate suitable sites for playgrounds;**
- **If on public land, work in partnership with the City of Atlanta to build and maintain the playground;**
- **If on private land, work with the neighborhood building and maintaining the playground;**
- **In all cases there will be help needed from within the community for both fundraising and playground design.**

At the moment, while continuing to review a number of other sites, we are focusing our efforts on lobbying the City of Atlanta to include a playground within the grounds of the park to be established off Peachtree Dunwoody Road (maps on reverse).

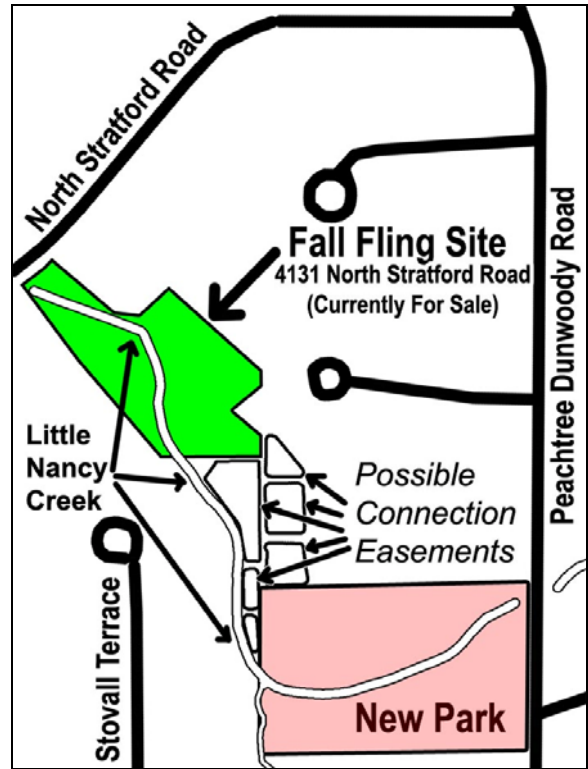

HOW CAN YOU HELP?

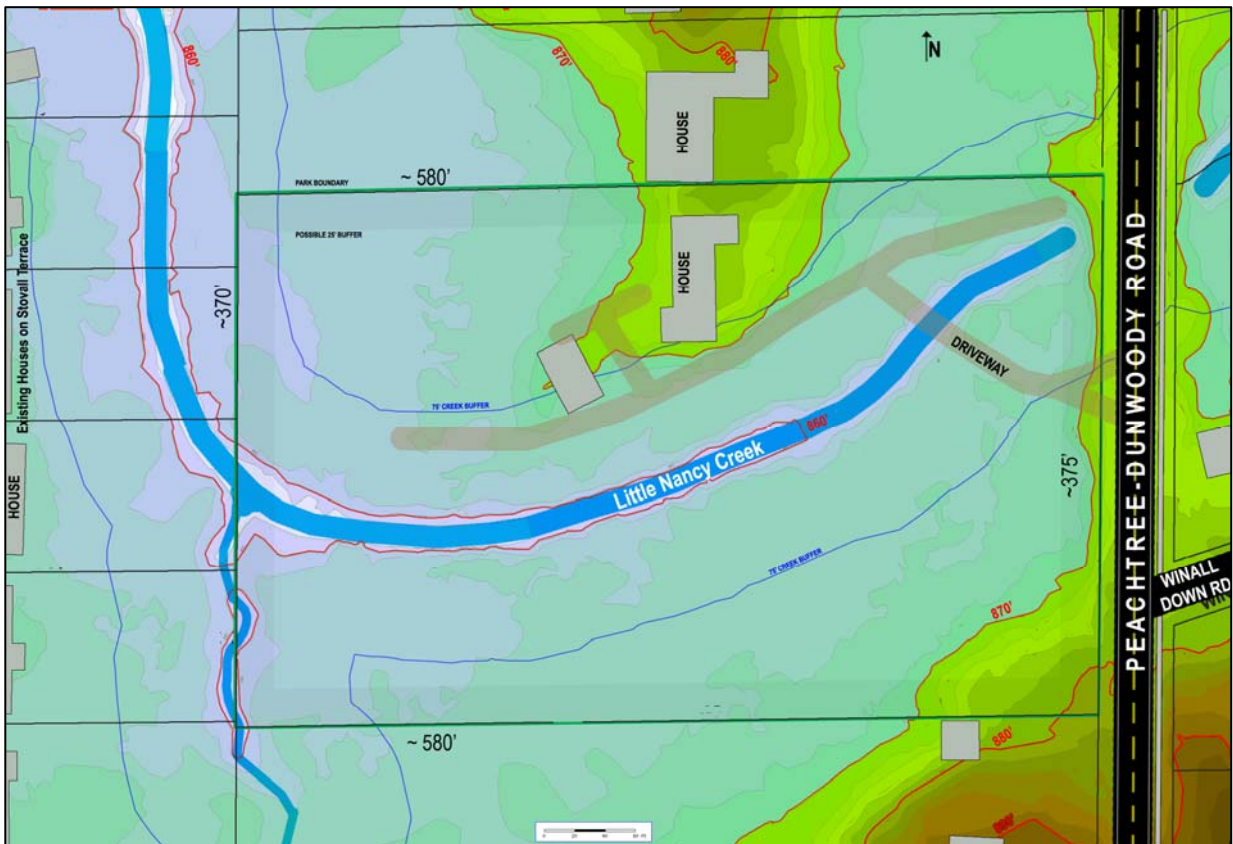

**Contact Zeb Bradford (zebbrad@bellsouth.net),
Mandy LeCompte (Mandy.LeCompte@mindspring.com)
or visit www.nbca.org/playgrounds to learn more.**
